AIMS AND OBJECTIVES STATEMENT

Our aim is to provide good quality childcare.

We want our children to feel happy and secure in a relaxed and anti-discriminatory atmosphere, where they can establish good relationships and build their self-esteem.

ADMISSIONS

Aims

We aim to provide an inclusive environment which caters for the needs of all children, including:-

- *Children from all religious and social groups*
- *Children from all cultural and ethnic groups*
- *Children with, or without disabilities*

Admissions Criteria

The Admissions Policy adopted by Ants is based on the following rules:-

- *Children on the school roll or who have been offered a school place*
- *First come, first served based, depending on the places available due to staff/child ratio's*
- *Children registered disabled, or disadvantaged, will be considered for a place, according to their individual circumstances and the ability of Ants to provide the necessary standard of care.*
- *Children of St. Anthony's Catholic Primary School staff members*

Availability of places

The availability of places will take into account staff/child ratios, the age of the child and the registration requirements. Children who are young in their year will not be disadvantaged.

Registration

Before a child can be left in the care of St Anthony's Ants, parents must complete the Child Information Record/Medical Information Form and an Agreement form. These will be given to all parents who express an interest in any St Anthony's Ants provision.

ARRIVAL AND DEPARTURE OF CHILDREN

It is the policy of St Anthony's Ants staff to give a warm welcome to each child as they arrive at any of the clubs offered.

Please ensure you are prompt to arrive at the end of a session, as it can be upsetting for children if they are the last to be collected. If, due to unforeseen circumstances, you are delayed, please contact Ants as soon as possible on the mobile 07952 801439 so that we may reassure your child that you are on your way. Please refer to the Terms and Conditions regarding late collection charges.

A child will NOT be allowed to leave any session with anyone other than the expected person, without prior notification and photo ID. In extenuating circumstances, a phone call to school will be accepted, however a password will be required, and a phone call may be made home at the time of collection. The person collecting will always be required to sign the register.

Children will only be allowed to go home with a designated person above the age of 16.

Signing out

When children depart from before school club into main school, they are signed out of Ants by a member of Ant's staff.

Lunch

Nursery children staying for the afternoon session should bring a healthy packed lunch and drink with them to school. They will eat their lunch before the wraparound session begins at 12.15pm.

Snacks

Snacks are provided by Ants staff during the afternoon in wraparound (please ensure that up-to-date allergy information is provided). Children are welcome to eat a snack provided by their parents/carers in Ants. We would like to encourage healthy eating and suggest items such as sandwiches, fruit and raisins if parents wish to provide snacks for their child/ren.

LOST CHILD

Our children's safety and well-being is of the highest importance whilst they are in the care of Ants. Every due care and attention is given to the children and all sessions operate in a secure environment with an appropriate child/adult ratio. However, in the unlikely event of a child going missing whilst in our care, the session Supervisor will inform appropriate members of the school staff and search the immediate area, including playground, classrooms, cloakrooms and toilets. Other adults will be asked to search further areas, such as the surrounds of the school grounds for a period of 5 minutes.

The assistant should stay in the room with the other children in the session.

If the child has not been found during this time, the session supervisor will contact:

- The Head Teacher or Assistant Head Teacher or DMS.
- The Police – dial 999.
- The parent/carer.
- The session supervisor will carefully record the details of where the child was last seen, by whom and at what time.
- The Chairperson of the Governor's Childcare Committee, as soon as possible.

Following the incident, and as soon as practical, the session supervisor must write a report of the incident, gathering as much pertinent information as possible from those people involved. This must be submitted to the Childcare Committee and the Head Teacher and there will be a comprehensive review of the current procedures.

UNCOLLECTED CHILD

Our children's safety and well-being is of the highest importance whilst they are in the care of Ants.

Each session booked in Ants ends at a specific time. Children become increasingly more concerned when their parent/carer is later than expected. All children should be collected at latest by the time specified on your agreement sheet. If you are delayed, please inform Ants on either the 07952 801439, as soon as possible, so that we may reassure your child that you are on the way.

In the event of an uncollected child at the end of a session, and no communication has been made by the parent within a reasonable time delay, the following actions will be taken:

- Every effort will be made to contact all the named persons on the child's contact list to arrange collection of the child. The child will then be cared for in St Anthony's Ants until they arrive.
Additional charges will be incurred, see terms and conditions for full details.
- In the event that we are unable to contact any of the named contacts or the contact person being unable to collect the child, it is our duty to inform Social Services and/or the Police and liaise with them concerning the care and well-being of the child.

Following the incident, and as soon as is practical, the club supervisor will write a report of the incident, gathering as much pertinent information as possible from those people involved. This must be submitted to the

MOBILE PHONE AND CAMERA USE

St Anthony's Catholic Primary School does **NOT** allow the use of staff personal cameras or mobile phones within the school apart from the school staff room.

Parents/carers are also not allowed to use their cameras or mobile phones once inside the premises.

Please refer to St. Anthony's mobile phone and camera use policy.

PARTNERSHIP WITH PARENTS & CARERS

The staff of Ants value our relationship with parents/carers and are committed to working in partnership with them to provide top quality play and care for the children.

We aim to:-

- Welcome parents/carers to discuss our work, have a chat or take part in our activities.
- Keep them informed of our opening times, fees and charges, programme of activities, procedures.
- Be consistent and reliable, allowing parents/carers to plan their time with confidence and peace of mind.
- Share and discuss the children's achievements, experiences, progress and friendships.
- Ask permission to take the children on outings and for special events.
- Listen to the views and concerns of parents/carers to ensure that we continue to consider and react to their needs. We welcome visits from parents/carers.

CONFIDENTIALITY

It is a legal requirement for Ants to hold information about the children. The information is used for registers, invoices and emergency contacts. This information is kept in a locked cabinet when not in use and only accessed by Ants staff.

The staff, through their close relationship with the children, will inevitably learn about the children's families. This information is confidential and parental permission will be sought before it is released.

Likewise, everyday incidents and conversations that occur during our sessions are also considered confidential. However, there may on occasion be the need to share with other staff e.g., Head Teacher or Deputy Head or other DMS.

If a child is considered at risk, the St. Anthony's Child Protection Policy will override confidentiality.

Please refer to St. Anthony's child protection policy for further information.
