## Constitution

The constitution of the OLAAS Local Governing Boards (LGB) is determined by the Our Lady and All Saint's Multi Academy Company Board of Directors. The LGB will act as a committee of the Board and will govern over their designated academy or academies.

LGB members, although not themselves Trustees of the charities, act at local level on behalf of the Board with delegated responsibilities. The LGB will be accountable to the Board of Directors.

The LGB must, in the exercise of its powers and undertaking of its duties and responsibilities consider any advice given by the MAC Directors. Along with any direction given by the DES in any of its undertakings.

## Membership

The term of a governor on the LGB will be 4 years.

The composition of the LGB shall be as follows:

- 6 Foundation Governors
- 2 Parent Governors
- 1 Staff Governor
- Reservation for Parish Priest

Co-opted Governors to fulfil a specific skillset may be appointed, but the total number of Foundation Governors must outweigh the number of all other governors by at least two.

The Head Teacher or equivalent will be expected to attend meetings and may ask any member of their SLT to attend meetings with the agreement of the Chair.

Membership will include persons whose skills, experience and commitment contribute to the effectiveness of the LGB. The process for recruitment and appointment will be transparent and inclusive. There should be good opportunities to meet prospective candidates before an appointment is made. Personal recommendations and references are important to the process, and a DBS check must be carried out. It is the responsibility of the Company Secretary to ensure that DBS checks are completed for all members.

During the recruitment process consideration should be given to the key skills and attributes required to effectively contribute to the operation of the LGB.

The LGB will have powers delegated to them by the Board of Directors to;

- Appoint their Chair person
- Approve local policies

The LGB must have a quorum of 3 members present in order to make any decisions. Fair and inclusive opportunity must be offered to all those present to contribute to difficult decision making before a final resolution is made by quorate vote. Where a poll is tied, the Chair will have the overriding vote.

The LGB will meet at least once per term as a Full Board. It is optional to meet once per term as committee with a focus subject.

All meeting notifications, agenda distributions, and related governance communications must be issued through by the Governance Professional through GovernorHub. GovernorHub is the approved platform for scheduling meetings, sharing documentation, and maintaining an auditable communication record.

The use of informal messaging services (including, but not limited to, WhatsApp, SMS, or personal social media platforms) must **not** be used for convening meetings or conducting governance business. These channels may lead to incomplete records, inconsistent information sharing, and do not meet the required standards of data protection and transparency.

Governors are responsible for ensuring they have access to Governorhub, regularly check updates on the platform, and maintain their contact details within the system so that meeting notifications can be received in a timely manner.

Agendas and papers will be circulated at least seven days in advance of the meeting. The LGB should ensure that the agendas include reports from any sub-committees and a rolling programme of policy review.

Safeguarding and Catholic Mission should be a standing item on all Head Teacher Reports.

The LGB will focus on standards in education throughout the school as the key component of each meeting.

## Sub-Committees

Each committee must contain a majority of governors, but it may also include other people the board chooses to appoint.

Committees will require a quorum of 3 Governors.

The Governance Professional will undertake the clerking of the committees.

The committee minutes shall be included as an agenda item for consideration at the next full governing board meeting.

All decisions made by committees with delegated powers should be reported to the next meeting of the full governing board. If the minutes are not finalised a brief statement of the conclusions reached should be given.

The chair of the committee will be appointed at the first board /committee meeting of the academic year.

## Reporting

- The minutes of all LGB and sub-committee meetings must be formally recorded and submitted to the Board of Directors as soon as is reasonably practical following the meeting.
- The minutes of all LGB meetings and sub-committees may be requested by Ofsted. The minutes form part of the evidence that inspection teams will use to judge the quality and cohesion of governance at local level and through to the Board of Directors.
