Dear Mr Flaherty,

Section 48 Monitoring visit: St Anthony's Catholic Primary School

Thank you for the welcome you, your staff, and the pupils gave to me when I visited the school on 4th February and for the information you provided for me during the visit.

Review of the progress made by the school against the recommendation of the last section 48 inspection:

The following recommendation has been fully met:

- In the light of the significant changes in the school and governing body a continuing focus on appropriate professional development and training opportunities is recommended to move the school from good to outstanding.

Recommendations from the monitoring visit:

- To further develop the role of the governing body in monitoring and evaluating Catholic Life, Religious Education and Collective Worship.
- To develop opportunities for pupils to plan and lead collective worship.
- Review teachers' planning and questioning skills to ensure pupils have sufficient time to reflect on their learning and understand the impact on everyday life.
- To review Collective Worship Policy to ensure consistency of expectations, practice and the environment.
- Provide opportunities for parents and pupils to participate in voluntary acts of worship and prayer.

God bless.

Yours sincerely

Debbie Huxtable
