This half term, we are growing to be attentive to our experience and to our vocation; and discerning about the choices we make and the effects of those choices.

Be assertive, be attentive and be creative.
The world needs people who can add value.

Dance Performance

St Anthony's Catholic Primary School

presents

Actions Speak Louder Than Words

at John Henry Newman Theatre

Chelmsley Rd, Chelmsley Wood, B37 5GA

Monday 7th April 2025

AM performance: 10:45am PM performance: 1:30pm

£5 per ticket to admit – 1 person

Donations from the money raised from ticket sales will be made to Father Hudson's Caritas and CAFOD.

Tickets will be available to purchase from Tuesday 11th March via ParentPay priced at £5 each.

Due to restrictions in the theatre, we are only able to offer 2 tickets per family per performance but there may be an option to purchase more at a later date.

Years 2 to 6 will be taking part.

Fr Hudson's Caritas

A reminder that for their 'Good Shepherd Appeal' this year, children are being encouraged to either make or use a recycled box from home that they can decorate and fill with any loose change that you may have. This can then be brought into school and donated to Fr. Hudson's at the end of term.

SAFETY!

If you use Schofield Road at drop-off and pick-up times, please show consideration and care for our community and do not mount the pavement or drive at an unsafe speed.

Mobile Phones

Information for Parents/Carers of children in Year 6

At St Anthony's Catholic Primary School, we recognise that on some occasions it may be helpful for a pupil to bring a mobile phone into school, for instance; if they walk to and from school unaccompanied. All pupils bringing a phone into school must have a good reason for doing so, and parents must have signed and returned our school agreement (please collect a copy from the school office).

Our Pupil Mobile Phone Agreement

Parents/ Carers recognise that the primary responsibility for online safety at home lies with Parents/Carers. More guidance for Parents and Carers can be found online:

<https://www.internetmatters.org/>

School will do all that we can to stress the importance of staying safe online and children will be taught how to achieve this, including through visits from the local PCSO.

School will seek to work with families to help them to encourage children to adopt safe use of mobile technology.

UNDER NO CIRCUMSTANCES SHOULD CHILDREN USE THEIR PHONE WHILST AT SCHOOL.

When they arrive at school, children will turn off their phone and then place it in the mobile phone box in the school office.

Children will need to collect their phone, from the school office at the end of the day.

Children will be reminded by adults in school and at home, not to take photographs or videos of people without asking and **never** to take them on the way into or out of school.

Children not adhering to these rules will not be allowed to bring a phone into school and will need to be collected at the end of the day by a responsible adult.

Any phone brought in without permission will be returned to a Parent or Carer.

If we suspect that children are not using their phone responsibly, school has the right to confiscate or search a mobile phone. In the unlikely event of needing to do this, we will endeavour to contact a Parent or Carer before doing so. As part of this agreement, your child should agree to unlock the phone if required by a member of staff.

- We currently advise that the use of 'smart watches' is not appropriate in school due to risks of loss and damage.

Time to talk...

TAKEHOME

10th - 16th March

How can we make connections with others?

'TUESDAY NEWS DAY'

This week we learnt that the Princess of Wales has recently shared pictures, drawn by herself and her children of each other. The artworks are part of the Shaping Us campaign, encouraging children to explore their relationships and feelings.

Things you could talk about at home:

- Have you ever drawn a portrait of someone?
- Do you think this type of activity could help build connections with others?
- Can you think of any other ways you can connect with others around you?
- Talk to someone at home about some of the people you are connected to.

I thank you from the bottom of my heart for your prayers for my health.

May God bless you and the Virgin Mary protect you.

Thank you.

Tiny Ants

Our Tiny Ants 'star of the week' is Penelope-Lane Hawkins,
for always being kind and making new friends.

This week in Tiny Ants, we have continued to talk about daffodils. We took small groups of children into our school outdoor areas on the lookout for daffodils and made a record of how many we could find.

When you are out and about with your children, you too could see how many daffodils you can find and send in photos for us to display.

Nursery

This week, Nursery have been focusing on sea creatures and they have loved playing with the creatures, shells and nets in the water and sand tray. We have developed our knowledge on sea creatures including their names and appearances through regularly reading the 'Commotion in the Ocean' book.

Nursery have also been very creative and created their own jellyfish using tissue paper as well as making beautiful yellow collage seahorses. We have made some lovely sea creature playdough creations, where we have paid particular attention to adding details to our pieces. On top of this we have painted our own patterned fish!

Take a look at some of our lovely World Book Day costumes!

Reception

As we grow in our knowledge and understanding of Maths, we have continued to explore the measurement of length. We have also begun to look at the number nine and the different ways in which we can represent nine.

In Literacy this week we have enjoyed reflecting on last Friday's 'World Book Day' and have used our phonetic knowledge to write about the characters we came dressed up as!

It is also *Science Week*, and we have enjoyed learning about **Katherine Johnson** and all the important projects she took part in for NASA.

Thank you, Reception, for another wonderful week!

Year 1

Year 1 have been busy this week!

To celebrate 'Science week', we learnt about the famous female astronomer **Caroline Hershel**. We learnt about *nebulas* and *comets* before creating a piece of space artwork. We have also been looking at seasons in our Science lessons. The children went on a nature walk identifying signs of Spring around school.

Year 1 continued...

We also made season wheels to compare the hours of daylight at different points in the year. In Maths we have been looking at numbers within 50. We worked with our Kagan partners outside to position numbers on a number line. In PE we have been practising our dance based on music from the film Toy Story!

Year 3

Year 3 were very lucky to have a special visitor who taught us an amazing dance routine all about magnets and forces. We have also been practicing our public speaking skills through performing presentations about animals from Africa!

Year 3 continued...

Year 5

Year 5 have had an exciting and eventful week! They were fortunate to attend a Science show at John Henry Newman, where some of them showed great confidence by stepping onto the stage to take part in the experiments. They also participated in a CO₂ workshop, learning about the dangers of the gas and how to stay safe.

Year 6

On Tuesday, Year 6 had a fantastic day visiting Harvington Hall. The children learnt all about the hall and its famous priest hides along with delving deeper into Tudor life and even getting to have a go at some archery!

Attendance

Our contact details are:

School email address: office@st-anthonys.solihull.sch.uk

Telephone number: 0121 770 3168

If your child is going to be absent from school **please let the office know**. You can do this by emailing, calling or leaving a voicemail. If we do not hear from you, your child's absence will be marked as unauthorised.

Thank you to everyone that has made contact, it really saves a lot of time!

Congratulations to our most recent winners:

24.2.25 – 28.2.25: **Vivienne Y3**

3.3.25 – 7.3.25: **Ivy Y3**

10.3.25 – 14.3.25: **Harvey Y6**

TTRS battle

A reminder that all pupils from Y2 – Y6 should be accessing TTRS during the week and this is being monitored by teaching staff. Staff are able to view how long pupils have been actively playing games (rather than changing their avatars etc.) and this is what will count towards their 10 / 15 mins (depending on their year group).

The **March** battle has now launched and is between

Year 2 v Year 3 v Year 4 v Year 5 v Year 6

Y4 have overtaken Y3 and Y5 have overtaken Y6 so it is all still to play for!!!

Support for Parents and Carers

Did you know Solihull now has a new Family Help Line?

This has launched this week to support families and the people around them. You can now call 0121 788 4327 for advice, information, strategies & support on things like:

- Parenting support
- Family conflict particularly because of difficulties managing children's behaviours
- Parents/carers needing support if they are struggling to get their child/ren into school and getting in trouble because of this
- Parents/carers struggling to manage their child's health, developmental or social needs (including mental health)

The team can offer:

- Signposting to services and what's on offer at the Family Hubs
- Referral to a Family Support Worker
- Advice and Support on the wider Early Help offer & how this works

**** This is not a safeguarding or social work service, so if you are worried about a child being unsafe – please call the MASH on 0121 788 4300.**

According to Ofcom, 90% of children are watching online videos and browsing the internet regularly. Children may love to stream videos and look up information, it's a fun way to learn and relax after all but they must be guided. The e-space is filled with inappropriate content and dangerous material. It is important that parents and even teachers, are able to steer their pupils and youngsters, towards the right places when online. Internet Matters has published a guide dedicated to supporting adults in setting digital boundaries for children, so that they can make smart choices and build healthy online habits. In the Internet Matters guide you'll find practical tips on managing content access, the use of safety controls, advice on setting boundaries and ways to educate children on how to stay secure online.
