

Uniform Swap

ST. ANTHONY'S GREAT BIG UNIFORM SWAP!

Thank you to anyone who has donated pre-loved uniform.

We will be displaying this on the playground before and after school from Wednesday 16th - Friday 18th July on the school playground.

Please have a look and take anything that you need rather than buying new uniform unnecessarily - especially if your child has lost numerous items of uniform this year!

IT'S NOT TOO LATE!

We realise that you may not be thinking about uniform for the next academic year yet, so we will welcome more donations after the holidays and will lay all of these clothes out in the first week of **SEPTEMBER**.

Time to talk...

TAKEHOME

7th - 13th July

TUESDAY NEWS DAY!

What makes somewhere a good place to live?

This week we learnt that scientists in Australia have discovered that human beings lived in high mountain caves nearly 20,000 years ago. They found tools, burnt wood, and other artefacts deep inside the caves of Australia's Blue Mountains, showing that people once cooked and lived there. The discovery is one of the earliest records of people living within this mountain range.

Things you could talk about at home:

- Why do you think people chose to live in mountain caves?
- Do you think it's important to learn about the homes of people from the past?

✕

Pope Leo XIV says...

✕

✕

✕

We have to pray for the conversion of many people who still do not see the urgency of caring for our common home.

Medication

Dear Parent/Carers, medication including inhalers will be sent home with your child next Friday. Please check dates and label your child's medication before returning it in September.

Illness and Attendance

Student Illness and School Attendance

To ensure the health and well-being of all students and staff, we kindly ask that you keep your child at home if they are experiencing symptoms of illness. Children should remain home if they have a fever of 100.4°F (38°C) or higher, are vomiting, have diarrhoea or show signs of contagious conditions.

Unacceptable Reasons for School Absence

While we understand that every child may occasionally feel unwell, it is important to distinguish between minor discomfort and genuine illness that warrants absence from school. Vague symptoms such as “feeling unwell,” mild headaches, or general tiredness are not considered valid reasons to keep a child home and absence due to these reasons will not be authorised. In such cases, we encourage parents to use appropriate over-the-counter medication, such as paracetamol, before school. If your child's condition worsens during the day, school staff will monitor them and contact you if it becomes necessary for them to be collected. Regular attendance is essential for your child's academic progress and social development. We appreciate your support in ensuring that absences are limited to genuine illness in line with school guidelines.

School Absence Requests

Parents/Carers please be advised that Solihull Council require parents to give school **4 weeks** notice to put in a leave of absence request which is a change from the current 2 weeks. These changes will be reflected in the school attendance policy when it is updated in November 2025.

National Threshold

Penalty Notice Fines are issued to each parent who allow their child to be absent from school. There will be a single consistent national threshold for when a Penalty Notice must be considered by all schools in England of 10 sessions (usually equivalent to five school days) of unauthorised absence within a rolling 10 school week period. Three siblings absent for term time leave, would result in each parent who allowed the holiday receiving three separate fines. A five day holiday would meet the national threshold. The 10-school week period can span different terms or school years.

The first time a Penalty Notice is issued for an unauthorised absence, the fine amount will be: • £80 per parent, per child if paid within 21 days. • Increasing to £160 if paid between days 22-28.

Second Offence (within 3 years) The second time a Penalty Notice is issued for unauthorised absence the amount will be: • £160 per parent (who allowed the holiday), per child, payable within 28 days

Third Offence and Any Further Offences (within 3 years)

The third time an offence is committed a Penalty Notice will not be issued and local authorities will need to consider other available measures to address the absence concerns. This may mean that cases are presented before a Magistrate's Court. Prosecution can result in criminal records and fines of up to £2,500. Cases found guilty in the Magistrates' Court can show on the parent's future DBS certificate due to 'failure to secure a child's regular attendance'.

Tiny Ants

Our Tiny Ants 'star of the week' is
Vinnie for his excellent prayer at prayer time.

We have had an amazing week releasing our five butterflies. The children have observed them daily and after day 4 it was time to let them go. We have learnt how to be kind to God's creatures and to appreciate what He has given us.

Nursery

This week, Nursery have focused on the topic of space; where we have practiced the Solar System song, counted astronauts, created/painted rockets as well as explored space focused sensory trays.

Nursery continued...

Also, this week Nursery have released our butterflies in the prayer garden and were very excited to watch our butterflies fly around and land on us and the flowers. We practised being very calm and gentle with our lovely butterflies.

Nursery have also loved learning about weddings as part of our R.E. unit Special Celebrations. We have learnt about; the clothing people wear, the rings that are exchanged and most importantly that marriage is a special celebration for people who love each other. To help us learn this Nursery had the opportunity to role play a wedding in church with their friends which they really enjoyed.

Reception

We had an amazing time at our EYFS picnic, where we released our beautiful butterflies into the wild! Some of our children were a bit sad to see them go, but we reassured them that the butterflies would come back to visit. And guess what? They did! We even spotted them on our beautiful lavender bush. 

During Arts Week, we got creative with nature-inspired art, just like the artist Andy Goldsworthy, who we have learnt all about. Our children produced some amazing work, using natural materials like leaves, twigs, and flowers to create stunning pieces of art. We're so proud of their creativity and talent!

Year 1

Year 1 had a brilliant week! In Maths, we were learning about position and direction. We played a Kagan game to learn about rotation, the children were great at using their left and right to give commands to their partner. In English, we wrote our final piece of writing titled, 'All About Me.' At the end of the week, we went on a trip to Twycross Zoo; it was a hot day, but the children's behaviour was outstanding. We got to see penguins, tigers, monkeys, giraffes and rhinos (to name a few)! It was a brilliant day!

Year 2

This week, Year 2 have been focusing on our book 'Where the Wild Things are'. We created our own 'Wild Thing' and have learnt all about similes ready to use them in our extended writing of a character description next week! Well done for a fantastic week Year 2 😊.

Year 3

This week Year 3 have been busy! In Maths, we have been looking at shape and distinguishing between horizontal, vertical, parallel and perpendicular lines. In English, we used freeze frames to help write a recount of the story of the 'Pied Piper'. We really enjoyed travelling around the school on 'Brummie Day' exploring the different rooms and feeling very proud to be from Birmingham. We were also very proud of our art masterpieces inspired by Faith Ringgold. Our art showed a painting of ourselves flying somewhere special in the world.

Year 4

This week, the children in Year 4 headed off to the Think Tank for their school trip. We all had the most amazing time learning about vehicles from the past, our bodies, different animals and we even managed a visit to the planetarium. Asking the children about their day, the planetarium along with the outdoor water garden were firm favourites.

FUN

Year 4 continued...

FUN

thinktank Share your pictures with us! thinktankmuseum

Year 6

SNEAK PREVIEW!

Year 6 have been really busy preparing their leavers production – Arabian Nights. So we thought we'd give you all a sneak preview snapshot. The rest of the school will get to see our dress rehearsal next week before the big performance for their parents and families on Wednesday evening.

Happy Birthday To You!

Imagine Mrs Potter's surprise, when she walked into her office on Thursday. There were; balloons, a cake, gifts and cards!

Can you guess what special birthday Mrs Potter celebrated?

Summer HAF Club – Y1-Y6

Please notice a slight change to times and dates. If you have a FSM code and you are not sure what it is, please email edfreesm@solihull.gov.uk. Attendance Support Drop In Session

The Solihull EPAS team are offering a bespoke multi agency attendance drop in to all families at

Elmwood Place Family hub

Wednesday 20th August 10-1pm

There will be professionals from Early Years, Early Help, EHCP team, Employment and Skills team, Police and Mental Health in Schools attending.

This will be a one off support session during the school holidays.

Is your child worrying about returning to school in September?
Then please come and see us.

We are here to support you and your child with any issues you may have around school attendance—whatever they may be.

We can offer advice and guidance around overcoming barriers that your child may be experiencing.
We look forward to seeing you.

Elmwood Place Family Hub, 37 Burtons Way, B36 0UG

If you have any questions please email attendanceenquiries@solihull.gov.uk

Lansdown Dental Practice...

We are thrilled to share that Lansdown Dental Practice is currently accepting NHS patients for dental treatment! We are excited to welcome you to our practice and provide you with the best dental care.

Our Details:

- Practice Name: Lansdown Dental Practice
- Address:711 Chester Road, Castle Bromwich, B36 0LN
- Contact Number:0121 770 8090

Special Announcement:

We understand how busy life can get, especially for families. That's why they offer child-friendly practice appointments during the school holidays, providing a convenient solution for managing your family's dental care. Don't delay—act today! Give us a call to secure your spot and avoid disappointment.

New Patient Registration is Available: They are currently accepting new patient registrations for a limited period at Lansdown Dental Practice. This is a great opportunity to start your journey towards a healthier smile. We look forward to helping you and your family maintain healthy smiles!

REMEMBER CHILDREN UNDER THE AGE OF 18 YEARS OLD ARE ENTITLED TO FREE DENTAL TREATMENT

Additionally, if you or your partner receive certain benefits, you can also get free NHS dental treatment, including:

- Income Support
- Income-based Jobseeker's Allowance
- Income-related Employment and Support Allowance
- Pension Credit Guarantee Credit
- Pension Credit Guarantee Credit with Savings Credit
- Universal Credit (only if your income is below a certain amount)

Just call one of our friendly reception team who will only be more than happy to assist you. They are excited to announce that Lansdown Dental Practice is currently accepting

Are you a young carer...

ARE YOU A YOUNG CARER? DOES YOUR CHILD COMPLETE ANY OF THESE TASKS FOR AN ADULT AT HOME?

You may be a young carer if you support someone at home by helping them do any of the following because they can't do it themselves due to needing care and support.

Here are some examples of the type of tasks you may do as a young carer:

- Get washed.
- Get dressed.
- Help with reading, writing and hearing.
- Shopping.
- Paying bills or managing money.
- Medication.
- Organising family life.

Come and speak with Miss Watkins who can help make a referral to The Carers Trust.

Bulls in the City 2025

**COME
AND JOIN
THE TRAIL!**

**88
Calves**

**40
Bulls**

16 July - 14 September 2025

For 8 weeks from July, you can find all the bulls around Birmingham city centre and local surrounding neighbourhoods. The trail will be made up of 40 bulls and 88 calves, each with a unique design to admire.

bullsinthecity.co.uk

**BIRMINGHAM
HOSPICE**

brought to you by: **WILD IN ART**

SPONSORED BY: **UNIVERSITY OF BIRMINGHAM** Mayor of the West Midlands **West Midlands Combined Authority**

**BULLS
IN THE
CITY**
BIRMINGHAM 2025

This summer, Birmingham will welcome an exciting new art trail to the city. The iconic **Birmingham Bullring Bull** will be joined by 40 large bull sculptures, as well as around 85 calves. We're keeping their exact locations secret for the moment, but the trail promises to be a fun family activity. It will take families around the city to find one decorated bull after another, with each design created by a local artist or sponsored by a local business.

This art trail will celebrate our city and raise awareness of Birmingham Hospice and the care it provides for the people of Birmingham and their loved ones. The trail is a great way to get outside, get active, and give back to Birmingham Hospice, offering a fun, free summer holiday activity for families. The trail will be in **Birmingham from July 16 to September 14, 2025.**

You can find out more about the trail here: <https://bullsinthecity.co.uk>

Parents/Carers starting Reception or Secondary School...

Is your child SCHOOL ready?

Not sure if your child is fully prepared to start reception or secondary school?

The Family Support Service are holding **coffee mornings** to offer support to parents and carers whose children are:

Starting reception

Online Safety for Parents and Carers

What Parents & Educators Need to Know about AI-ENABLED SCAMS

WHAT ARE THE RISKS?

Artificial intelligence (AI) is quickly becoming a widely used tool, with lots of positive applications being discussed and developed. Sadly, however, as with most technology tools, there are those who will seek to use it for malicious and dishonest practices, with children and other vulnerable groups particularly at risk.

PHISHING EMAILS: BETTER & QUICKER

Phishing scams – emails designed to trick people into handing over login details or money – are not new, and do not rely on AI; however, AI has made them far more dangerous. Criminals can now generate highly convincing emails at speed, mimicking an organisation's tone, branding and language with ease. This makes phishing attempts harder to spot, especially for young people who may not yet know what to look out for.

ONLINE MARKETPLACE FRAUD

Online marketplaces are now a common way to buy and sell everything, from second-hand clothes to cars. Criminals are exploiting this by using AI to enhance or completely fake product photos and videos, and pressure buyers into paying deposits or full amounts upfront. These tactics are becoming more advanced, making it vital to pause, check, and verify the sale before parting with any money.

VOICE IMPERSONATION

AI can now realistically impersonate a person's voice when given a small sample of someone's speech patterns. This is especially concerning where voice has been enabled as an alternative to password-based logins. One such example was the use of AI deepfake audio as part of a fake kidnapping scam: the criminals used an AI voice clone of a 15-year-old to convince her parents she had been kidnapped and elicit a ransom.

EMPLOYMENT SCAMS

Using AI, criminals can create fake online profiles that seem completely real. These synthetic identities can chat with young people about fake job offers, asking for money to secure a visa or paperwork. In 2025, The Guardian reported a scam targeting young people with promises of quick cash, posing as TikTok staff.

INFLUENCER & INVESTMENT SCAMS

AI tools now make it easy to manipulate video and audio, with technology available that can generate entirely fake content using the likeness of celebrities or influencers. Criminals are using this to create convincing videos of well-known figures promoting fake products or services, which young people can be particularly susceptible to. Cryptocurrency scams are a common tactic, luring people into investing in schemes that do not exist. Once payment is made, the criminal simply disappears with the money.

ROMANCE SCAMS & SEXTORTION

AI chat bots can now mimic real conversations, often accompanied with realistic fake photos and videos, which makes it easier for criminals to build trust with young people – among other things, this can lead to fraud or sextortion. In 2024, the NCA's CEOP Safety Centre received 380 reports of sextortion. Alarmingly, in the first five months alone, police received an average of 117 monthly reports involving under-18s, showing how serious and targeted this threat has become.

Advice for Parents & Educators

THINK CRITICALLY

The key to addressing the increasing growth of AI-enabled scams is to think critically and show caution. Inform children that if something is too good to be true, then it probably is. Encourage them to stop and carefully consider what they are seeing and reading before taking any action. For example, if a social media post expresses urgency, proceed with caution; if content seems unusual, even from a known person, it may be that their account has been hacked.

SEEK TO VERIFY

Criminals may breach an influencer's account or spread misinformation and fake content; however, their approach will generally be limited to a single account, site or service. Where possible, show children how to verify information to check its legitimacy before proceeding. Small actions, such as phoning the person who is the subject of a suspicious email, or checking content via an individual or company website or social media sites can make the difference. The greater the risk, the more effort we should expend to confirm whether the information presented is true or false.

USE TRUSTWORTHY SITES AND SERVICES

Online marketplaces are useful when buying and selling items; however, where possible, encourage children to use reputable companies and their online shopping sites. These companies are likely to have more sophisticated cyber-security safeguards in place, underpinned by consumer legislation, enabling them to control how products and services are displayed and traded on their sites.

REPORT IT

As the sophistication of scams increases, the likelihood of being tricked by them also increases, especially when not paying attention or acting quickly. It is important that young people know how to report incidents as they happen. Show children how to report their concerns to the social media site, Action Fraud, banks, and other individuals or organisations linked or involved. If you are unsure of the most effective reporting channel, contact Action Fraud.

Meet Our Expert

Gary Henderson is the Director of IT at Millfield, a large independent boarding school in Somerset, as well as a member of the Digital Futures Group, Vice Chair of the ISC Digital Advisory Group and an Association of Network Managers in Education (ANME) Ambassador.

Support for Parents and Carers

Did you know Solihull now has a new Family Help Line?

This has launched to support families and the people around them. You can now call 0121 788 4327 for advice, information, strategies & support on things like:

- Parenting support
- Family conflict particularly because of difficulties managing children's behaviours
- Parents/carers needing support if they are struggling to get their child/ren into school and getting in trouble because of this
- Parents/carers struggling to manage their child's health, developmental or social needs (including mental health)

The team can offer:

- Signposting to services and what's on offer at the Family Hubs
- Referral to a Family Support Worker
- Advice and Support on the wider Early Help offer & how this works

**** This is not a safeguarding or social work service, so if you are worried about a child being unsafe – please call the MASH on 0121 788 4300.**

According to Ofcom, 90% of children are watching online videos and browsing the internet regularly. Children may love to stream videos and look up information, it's a fun way to learn and relax after all but they must be guided. The e-space is filled with inappropriate content and dangerous material. It is important that parents and even teachers, are able to steer their pupils and youngsters, towards the right places when online. Internet Matters has published a guide dedicated to supporting adults in setting digital boundaries for children, so that they can make smart choices and build healthy online habits. In the Internet Matters guide you'll find practical tips on managing content access, the use of safety controls, advice on setting boundaries and ways to educate children on how to stay secure online. If interested please follow the link below:

Head Teacher's Awards

Congratulations!

Reception – Annie – for being a kind-hearted, joyful and wonderful member of our class; who makes our classroom brighter by just being herself!

Year 1 – Year 1 – for outstanding behaviour on our trip to Twycross Zoo.

Year 2 – Nancy P – for always shining like Jesus, and being a kind, helpful friend 😊

Year 3 – Bethany – for being a ray of sunshine, and making the world a better place with your bright beaming smile 😊

Year 4 – Aleena – for always trying her best, working hard and being a delight to teach.

Year 5 – Joaquin – for having such a mature attitude, and always showing respect to others.

Year 6 – Aara-Jasmine – for embracing all aspects of school life, and showing her maturity.
