This half term, we are growing to be intentional in the way we live and use the resources of the earth, guided by conscience; and prophetic in the example we set to others.

I attribute my success to this: I never gave or took any excuse.

PTA Page...

On Thursday, the PTA held their first school discos. They were a huge success and I'm sure some children were exhausted when they got home as they didn't stop dancing throughout! Although the PTA do raise money for school, they also aim to give children a wide range of experiences and they certainly did last night! We thank them for their time preparing it and running it and I'd always encourage other parents to see how they can help. I'd also like to thank the staff who stayed, some until after 6pm to support the event, and I'm sure Miss Clayton did more dancing than the children!

How can we raise awareness of important issues?

'TUESDAY NEWS DAY'

This week we have been learning about the Earthshot prize which rewards people striving to solve climate and environmental issues.

Things you could talk about at home:

- What is the Earthshot prize – can you explain a little more about it?
- Do you believe awards are a good way of raising awareness about important issues?
- Have you ever taken part in a project about caring for the world?
- Can you think of a project that you could get involved in in the future?

The word “Gospel” means glad tidings, and it cannot be communicated with a long face. We must share the Gospel with the joy of those who have unearthed a hidden treasure and precious pearl.

Tiny Ants

Thank you to all our families that sent in old shirts and t-shirts. These help to keep us clean while we get really messy exploring paint and gloop. We have been making marks with our fingers/brushes and printing using sparkly paint and star cutters this week.

If you have any old shirts at home, you are willing to donate it would be greatly appreciated.

Nursery

This week in Nursery, we have been focusing on 'Winter'. We have explored what changes we see outside such as; snow, ice and no leaves left on the trees. We have learnt that when it gets colder we need to dress up warmer by wearing coats, scarves, hats and gloves.

Nursery have also learnt about arctic animals, their names and how their appearance helps them in the snow. We have played with our arctic animals in a variety of sensory materials such as shaving foam, white glittering play dough and conditioner.

On our creative table we have been making snowmen (and women!) using circle shapes and we have decorated them with triangle noses, square hats and circle buttons.

Reception

This week in Reception, we have started to explore Advent, which begins this Sunday. We have talked about how we excitedly and patiently prepare and wait for the beautiful gift given to us, Jesus. We have looked at our class Advent wreath and have also made our own Advent wreaths, learning about the different coloured candles within the wreath and what they symbolise.

We have been busy rehearsing our EYFS Nativity and look forward to welcoming all our special family and friends next week.

Our role play has recently turned into a shopping centre, and the children have enjoyed having lots of fun. We have seen lots of wonderful counting, shopping lists, and some very interesting recipe ideas!

We have worked hard on our 'funky fingers' this week, getting them ready for more wonderful writing. We have been threading and weaving, pinching, and gripping, and some of the children have helped to make play dough to use in the class dough disco.

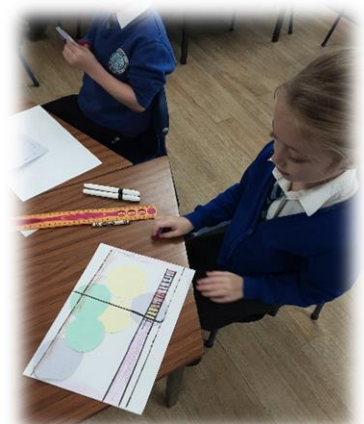

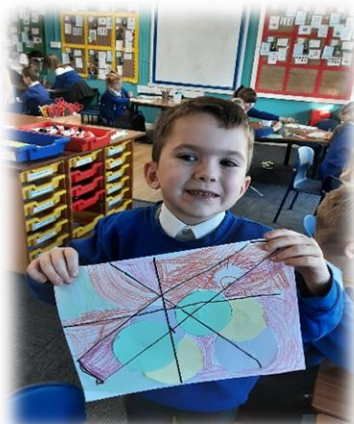

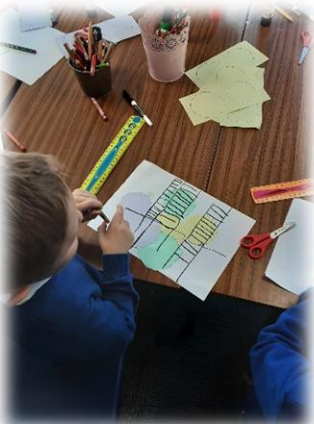

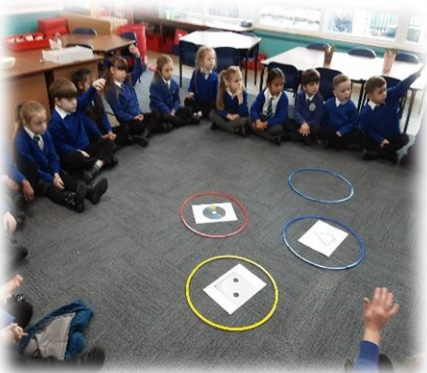

We have really enjoyed being active on the MUGA this week by running, playing catch, shooting balls in the basket, and playing our favourite game of traffic lights. The children are wonderful at listening and following instructions when taking part in some tricky games.

Well done Reception, thank you for another wonderful week!

Year 1

This week, Year 1 have been learning about shape in Maths. We went on a shape hunt around school before going outdoors to create shapes out of sticks and chalk. Back in class everyone was brilliant at sorting the shapes. The children were brilliant at naming all 2D shapes and recalling their properties. In Art we have been focusing on mixed media. The children create their own piece of art inspired by Beatriz Milhazes using; paper, pen, pencils and crayon.

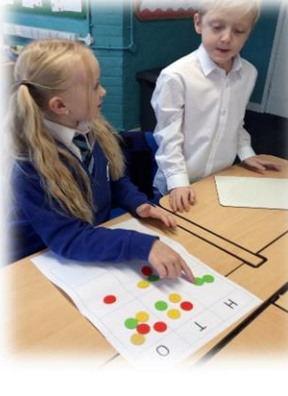

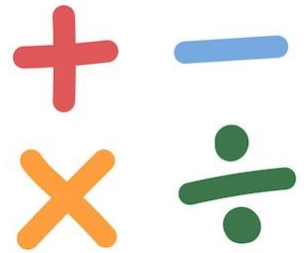

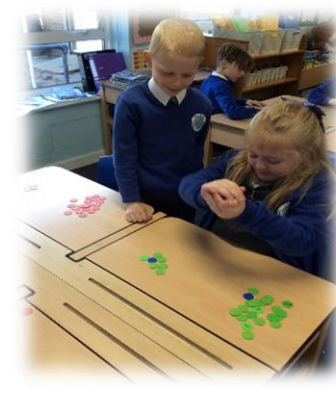

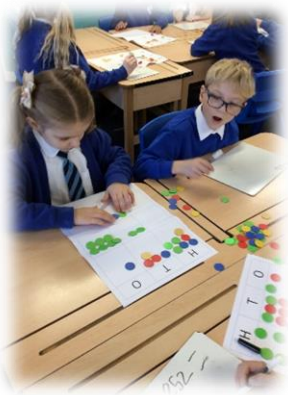

Year 2

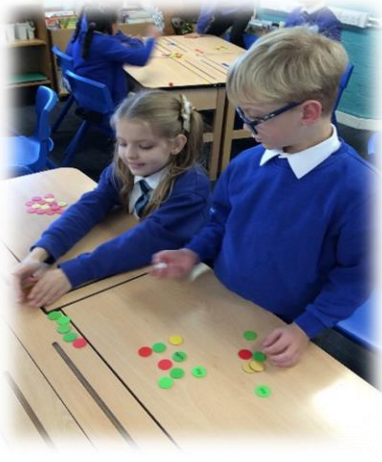

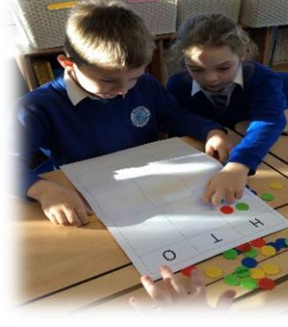

Year 2 have had a wonderful week. In Maths we have moved onto our shape unit. We have been matching 2D and 3D shapes to their name and learning the different properties. In Spanish, we have learnt numbers 1-10 - check out Twitter to see them singing a song 😊

Year 3

Year 3 have been busy this week. In English we created a missing poster, and wrote a newspaper report because Paddington Bear has gone missing! In Maths, we estimated answers, used inverse operations and started our new topic on multiplication and division. We began looking at the months of the year in Spanish, drew roses in Art and looked at the Annunciation and Visitation in RE.

Year 4

This week, the children in Year 4 have been creating performance poetry. They used a poem called 'Rat it Up' by Tony Mitton. Each group took a verse each and created some actions for their verse. The children went on to think about how their voices needed to change throughout different parts of the poem. We have some very creative children in Year 4!

What Parents & Educators Need to Know about

SNAPCHAT

SNAP STREAK

97
DAYS

Snapchat is a messaging app which allows users to send images, videos and texts to others. Its best-known feature is that anything sent 'disappears' 24 hours after it's been viewed; however, users are known to take screenshots or use another device to obtain a photo of their screen. In 2023, Snapchat added a chatbot function called 'My AI'.

WHAT ARE THE RISKS?

ARTIFICIAL INTELLIGENCE

My AI is Snapchat's new chatbot, which replies to questions in a human-like manner. However, the software is still in its infancy and has significant drawbacks, such as biased, incorrect or misleading responses. There have already been numerous reports of young users turning to AI for medical help and diagnoses, which could be inaccurate and therefore potentially dangerous.

PREDATORS AND SCAMS

Predators can exploit Snapchat's disappearing messages by, for example, telling a user they have naked photos of them and will post them unless they're paid. Snapchat's own research found that 65% of teenagers had experienced this – on this app or others. This likely isn't helped by 'SnapMaps' – a feature which highlights your exact position in real-time. This is meant to help friends keep track of each other, but could be used for more sinister reasons.

MY EYES ONLY

Snapchat has a hidden photo vault called 'My Eyes Only'. Teens can conceal sensitive photos and videos from parents and carers in this folder, which is protected by a PIN. You can check for this by clicking on the icon which looks like two playing cards. This takes you to the 'Memories' folder which stores photos, stories and the My Eyes Only folder.

SCREEN TIME ADDICTION

Snapchat prioritises user engagement, with features like streaks (messaging the same person every day to build up a high score). The app also has sections called 'Discover' and 'Spotlight', which show tailored content to each user. However, this could also be seen as an attempt to hook users into watching videos endlessly. Furthermore, constant notifications can lure people into using the app.

INAPPROPRIATE CONTENT

Some content on Snapchat simply isn't suitable for children. The hashtags used to group content are determined by the poster, so even an innocent search term could still yield age-inappropriate results. The app's 'disappearing messages' feature also makes it easy for young people to share explicit images on impulse – so sexting continues to be a risk associated with Snapchat.

ONLINE PRESSURES

Although many of Snapchat's filters are designed to entertain or amuse, the 'beautify' effects on photos can set unrealistic body image expectations – creating feelings of inadequacy in younger users. Snapchat now also has 'priority' notifications (which still get displayed even if a device is in 'do not disturb' mode), increasing the pressure on users to log back in and interact.

Advice for Parents & Educators

UTILISE PARENTAL CONTROLS

Snapchat's 'Family Centre' lets you view the details of the child's account – their friends list and who they've spoken to in the last week – and report any concerns. You must invite a child to the Family Centre for them to join. To keep the child's location hidden on the app, go into settings and turn on 'Ghost Mode' and 'Hide Live Location', and ensure they know not to share their location with anyone.

BLOCK AND REPORT

If a stranger *does* connect with a child on Snapchat and begins to make them feel uncomfortable through bullying, pressure to send explicit images or by sending sexual images to them, the child can tap the three dots on that person's profile and report or block them. There are options to state why they're reporting that user – such as annoying or malicious messages, spam or masquerading as someone else.

FAMILIARISE YOURSELF

Before you allow a child to download Snapchat, download it yourself and familiarise yourself with the app. Snapchat has produced a parents' guide to the app to help you understand how it works and any protections they have in place. A link for this can be found in the sources below.

ENCOURAGE OPEN DISCUSSIONS

Snapchat's risks can be easier to handle if you nurture an open dialogue. For example, discuss My AI's responses to questions and how reliable they are. Talk about scams and blackmail before letting children sign up. If they're lured into a scam, encourage them to tell you immediately. Talk openly and non-judgementally about sexting, emphasising its inherent risks. Furthermore, explain how popular 'challenges' on the platform can have harmful consequences.

Meet Our Expert

Dr Claire Sutherland is an online safety consultant, educator and researcher who has developed and implemented anti-bullying and cyber safety policies for schools. She has written various academic papers and carried out research for the Australian government comparing internet use and sexting behaviour of young people in the UK, USA and Australia.

Evergreen Family Hub

We are here to help, Monday to Friday.

The people working in the Family Hub will work in partnership with you and your community. They will help you find and get help from different services in the area and will be able to give you information, advice and support.

Family Hubs are open to everyone. You may need to book an appointment to access some services, but there will always be a safe space available for you if you need it.

Alternatively, you call us on 0121 779 1724 or email evergreen@colebridge.org

Please scan the QR to download our new app to see what is on in the hubs each day.

Scan here for the app store.

Scan here for the google play store.

Wherever you live in the borough, you will be able to get help from one of our hub buildings, outreach services and/or digital support.

Who might you meet in the Family Hub?

The people working in the Family Hub will be from the Council, Colebridge Trust, NHS and other partners, all working in partnership with you.

There are diverse services such as Midwives, Health Visitors, Community Nursing, support for children with additional needs, information and advice services such as Citizen's Advice Bureau, activities for children and young people, mental health and welfare support services.

We can connect you to various local community services as needed.

Help with the cost of living.

Family Hubs assist in accessing emergency food, fuel, and toiletries. Contact the Family Hub Team for support in obtaining help from the Council and specialist teams. You can also visit [Here2Help \(solihull.gov.uk\)](http://Here2Help.solihull.gov.uk) or call the Solihull Connect service 0121 704 8001. Each Hub has "warm spaces" for a free hot drink during your visit.

Wellbeing & Advice

Midwifery

Please call your midwife using the number in your red book.

Health Visiting

To speak to a Health Visitor, text Chat Health on 07507 332563 (9.00am - 4.00pm Monday to Friday). If your child is unwell, please see your GP, ring 111, or if it is a medical emergency, please ring 999.

Women's Aid

If you or someone you know needs support, call 0808 800 0028. The helpline is open 7 days a week, 9.15am – 5.15pm.

Mental Health Support

Winter uniform

REMINDER: This half term, children from Reception to Year 6 MUST wear winter uniform (this includes a shirt and tie and NOT polo shirts).

Girls' Uniform - Winter

Grey skirt, white blouse (with tie) royal blue school cardigan or sweatshirt, white socks, grey, white or black tights, and black shoes. Girls can choose if they wish to wear grey school trousers (not fashion trousers). Leggings are not permitted.

Boys' Uniform - Winter

Grey trousers, white shirt (with tie) and school royal blue V-necked sweatshirt, and black shoes.

All children are expected to wear school uniform.

Please ensure all clothing is marked with your child's name.

- *Dangling earrings, rings or necklaces are not allowed to be worn as they present a health and safety risk.*
- *Stud earrings and a wrist watch are the only jewellery items which may be worn, except when taking part in P.E. lessons. Please keep in mind that should you wish to have your child's ears pierced, the start of the summer holidays is the best time as it give their ears time to heal before the start of term.*
- *Long hair must be tied up on all occasions with discrete bobbles and ribbons.*
- **Nail varnish, transferable tattoos and makeup are not permitted.**
- *Excessive haircuts are not permitted i.e. tram lines, designs shaved in to his/her hair. Trainers or black trainers are not permitted however children can change into trainers at lunch time.*

**School Keep Clear
No Stopping,
No Excuses**

Disappointingly we are still witnessing a number of adults not adhering to parking rules outside school. Under no circumstances should cars be pulling up outside the gate on Schofield Road to drop off pupils in order to ensure the safety of all of our pupils.
