This half term, we are growing to be learned, finding God in all things;  
and wise in the ways we use our learning for the common good.

Science may be learned by  
rote...  
but wisdom not.

Thank You!

All of our staff would like to say a massive 'Thank You' for all of the lovely cards and gifts that they have received to conclude this academic year. We are grateful for your continued support and kindness. We hope that you all have a wonderful summer holiday and we look forward to seeing all of your smiling faces back in September!

THANK YOU!

# Staff Leavers

We wish Miss Costello, Mrs Gallagher and Mrs Walker 'Goodbye and Good Luck' on their next adventures. We thank them for all that they have done for our St Anthony's community, all the talents they have shared with us and the joy they have brought within our classrooms. During our Leavers Mass on Thursday, we presented them with a lily plant, as St Anthony is illustrated holding lilies, a reminder of their time here. In our final celebration assembly, we put the Early Years experts up to the test with some fun challenges. Thank you for always fulfilling our motto of 'actions speak louder than words' and we wish you all the best for the future.

# Eco-Retreat at St Columbans

12 lucky pupils had a wonderful eco-retreat at St Columbans. We participated in many activities, all directed towards how we can be Stewards of the Earth. From pond dipping for newts, to butterfly hunting, to learning all about bees. It was a lovely experience and the students really embraced every opportunity offered throughout the day.

“The entire material universe speaks of God’s love, God’s boundless affection for us. Soil, water, mountains: everything is a caress of God” - Laudato Si (Pope Francis)

“A retreat like no other- a chance to get close to nature whilst getting closer to God” - Miss Otis

“I thank God for the opportunity to have a lovely day here” - Harlow

# Tiny Ants

*Thank you children for a fabulous year! Good luck to the children who are leaving us to go to a different nursery and we look forward to seeing the children who will be returning to us in September. Have a great break and keep safe.*

*Love from Mrs Cleary, Miss Caffrey, Miss Blair, Mrs Gallagher, Mrs Wedge and Mrs Rainbird.*

# Nursery

Nursery what a pleasure it has been to have you all in class this year! We have been on such a journey from the start of the year to now - You should all be so proud of yourselves. I wish you all the luck in the world going into Reception. I know you will all be amazing ❤️

# Reception

What a wonderful year we have had together in Reception! Miss Carson, Miss Sullivan and Mrs Wedge are all so proud of the progress each of you have made. We are going to miss your bubbly personalities and your beautiful smiles, but we know you're all more than ready for Year 1. Have a lovely summer and keep safe.

# Year 1

Year 1 had a fabulous trip to Twycross Zoo. The children enjoyed seeing all of the animals and walking around the Gruffalo trail! It was a lovely start to our final week together. We have had a brilliant year and want to thank you all for your continued support throughout. We hope you have a lovely summer and wish all the children the best of luck for Year 2. 😊

# Year 2

Wow! What an amazing year we have had Year 2. You have all worked so hard and have flourished into such wonderful members of the St Anthony's family. Keep up the hard work in Year 3 and have a lovely summer. Here are some snapshots from our year together.

# Year 3

Year 3 have truly blown me away this year, I am extremely proud of them! They have made me smile each and every day and I am really going to miss them! Good luck in Year 4 and thank you for all your incredible efforts this year! Here are a few snippets from our final school trip this year at the zoo...

# Year 4

Wow! What a brilliant end to a super year! This week, Year 4 took a visit to Legoland discovery and the Sealife Centre. At Legoland, the children got to see a replica of Birmingham made from Lego, did some building and construction, went on lots of rides, did some climbing in the soft play area and saw a Lego film in 4D!

At the Sealife Centre, the children got to touch some underwater sea creatures and saw animals from across the world. Some of our favourites were the otter, sea turtle and the jellyfish!

# Year 5

This last week of the academic year has been filled with some great activities. Year 5 took part in a team building project, where they had to design, create and sell their very own washing machine. I have never seen the class so engrossed and enthusiastic!

All the Year 5 staff would like to wish the children a lovely summer holiday.

# Year 6

On Tuesday night, Year 6 performed their leavers production "Tilda". They were absolutely fantastic and really rose to the challenge of performing to an audience of over 100 people. Miss Cartwright and Miss Otis were so proud to see the children end their journey at St. Anthony's on such a high.

# Year 6 Leavers Mass

Year 6 led their final Mass at St Anthony's on Thursday, it was a beautiful reflection and celebration of their time here. They conducted themselves with such reverence and grace, and it was so lovely to see the whole class come together to participate. The readings and songs chosen were an appropriate reflection of their St Anthony's journey. A big 'Thank You' to all of the staff and students involved in preparing and delivering the Mass. We also thank the families who attended to support.

# Year 6 Leaver's Disco

Our Year 6 had their Leavers Disco to celebrate all of their successes this year!

The final battle of the year was teachers v students... but it should really be renamed 'Year 2 v. Miss Clayton!'. The staff kept forgetting that any points earned after 8:30pm don't count in the battle! Well done to our Year 2 MVPs:

Group	MVP	2 <sup>nd</sup> MVP	3 <sup>rd</sup> MVP
Students	Ngoc-Anh Year 2	Patryk Year 2	Ezra Year 2
Teachers	Miss Clayton!		

Well done to **Arabella** who completed another stage on her story map this week!

Remember to keep using TTRS and Numbots during the holidays to practise your rapid recall of Maths facts!

# What Parents & Educators Need to Know about WORRY AND ANXIETY

Worry and anxiety are common emotions experienced by children, often triggered by uncertainty or fear. While worry involves concern about future events, anxiety is a persistent feeling of dread or apprehension. Current statistics indicate a rising prevalence of anxiety disorders among children, and this guide has some expert advice on understanding and addressing these concerns.

## UNDERSTANDING WORRY AND ANXIETY

Worry and anxiety are emotional responses to stress or uncertainty. Worry is typically associated with potential misfortune, while anxiety is characterised by feelings of fear, apprehension or unease. Both can manifest physically through symptoms such as restlessness, fatigue or muscle tension. Understanding the distinction between worry and anxiety is crucial for effectively addressing these concerns in children.

## DIFFERENTIATING WORRY FROM ANXIETY

While worry and anxiety share similarities – in that they both involve concerns about possible trouble – anxiety tends to be more constant and overwhelming. Worry may come and go depending on circumstances, whereas anxiety can linger regardless of the situation. It's essential to recognise when the former crosses into the latter, as anxiety can significantly impact a child's daily functioning and wellbeing.

## WHAT ARE THE RISKS?

### LONG-TERM CONSEQUENCES

Untreated worry and anxiety in childhood can have potentially lifelong impacts on a person's mental health and wellbeing. Chronic anxiety may increase the risk of developing anxiety disorders, depression or other mental health conditions later in life. Additionally, untreated worry and anxiety can negatively impact self-esteem, confidence and overall resilience. It's essential to address these concerns proactively and provide appropriate support and interventions.

### THE IMPACT ON CHILDREN

Excessive worry and anxiety can have profound effects on children's mental and emotional health. It may interfere with their ability to concentrate, sleep or participate in daily activities. Chronic worry and anxiety can also lead to physical symptoms such as headaches, stomach aches or difficulty breathing. Left unchecked, these concerns can escalate and potentially contribute to the development of anxiety disorders later in life.

### THE EMOTIONAL TOLL

The emotional impact of worry and anxiety on children can be significant, affecting their overall quality of life and wellbeing. Children experiencing chronic worry or anxiety may feel overwhelmed, irritable or hopeless. They may also withdraw from social activities or avoid situations that trigger their anxiety, leading to feelings of isolation or loneliness. Addressing these concerns early can help prevent long-term emotional distress and promote healthy coping strategies.

### ACADEMIC & SOCIAL IMPACTS

Impacts on the academic performance and social interactions of children and young people are very possible. Frequent worry or anxiety may impair concentration, memory and problem-solving skills, making it difficult for children to succeed in education. Anxiety can also hinder social development by causing children and young people to avoid social situations or to struggle with communication and interpersonal relationships, potentially leading to feelings of isolation or exclusion.

## Advice for Parents & Educators

### ENCOURAGE OPEN COMMUNICATION

Parents and educators can foster a supportive environment by encouraging children to express their worries and anxieties openly. Actively listening and acknowledging young people's emotions can help them feel understood and supported, reducing the likelihood of secrecy. Creating opportunities for regular check-ins and discussions about one's feelings can promote healthy coping strategies and strengthen communication bonds.

### TEACH COPING STRATEGIES

Empowering children with effective coping strategies is essential for managing worry and anxiety. Encourage the use of relaxation techniques such as deep breathing, mindfulness or progressive muscle relaxation to calm anxious thoughts and promote a sense of calmness. Additionally, teaching problem-solving and problem-solving skills can help children develop resilience and confidence in managing challenging situations.

### CREATE A SUPPORTIVE ENVIRONMENT

Parents and educators play a crucial role in creating a supportive environment that promotes emotional wellbeing. Establishing routines, providing predictability and offering reassurance can help reduce anxiety and create a sense of safety for children. Foster a culture of empathy and understanding, where children feel safe enough to express their emotions and seek support when needed.

### SEEK PROFESSIONAL HELP

Recognising when to seek professional help is vital for addressing significant or persistent worry and anxiety in children. If worry or anxiety significantly impacts a child's daily functioning, interferes with their relationships or academic performance, or causes significant distress, it may be necessary to consult with a mental health professional. Early intervention can prevent long-term consequences and promote positive outcomes for children's psychological wellbeing.

# Attendance Information

From September, if a pupil misses 10 sessions (half days) of unauthorised absence this is the threshold for parents being charged Absence fines. **The fine will rise from £60 to £80, per parent per child, or £160 if not paid within 21 days.**

The threshold can be met with “any combination of unauthorised absence”. For example, four sessions in term time plus six instances of arriving late after the register has closed.

Councils “retain the discretion to issue one before the threshold is met”. This could include where parents “are deliberately avoiding the national threshold by taking several term time holidays below threshold, or for repeated absence for birthdays or other family events”.

For example: 3 days unauthorised leave of absence, then a few weeks later another 2 days unauthorised leave of absence.

Parents need to complete a leave of absence form. Please be honest when taking your child out of school in term time as absence is a safeguarding matter.
